Madman or genius? Pascal, the passionate, has transformed close to half of this entire village into Bed and Breakfast accommodation, all situated within 2 kms of the famous Kasbah Ait Ben Haddou in Ouarzazate. The restaurant itself is worth the trip. The chef offers delicious international and Moroccan cuisine, bursting with flavour; products are fresh and vegetables are from the local market. A lounge bar will offer you a choice of cocktails, tapas, malts, cognacs, as well as a selection of cigars.
